# Who? Who is your relative

My relative is my mom

What he or she do ? What is his /or her “claim to your fame”?

My mom is a nurse at UIC hospital.

# When did this person live ? What year were they most active in their career/lives

When my mom was taking care of my brother all by herself while working . Graduated with 2 kids . 20 years to get 2 promotions.

Where did this person live? Where there any individual protagonists?

Chicago, my god mother my mom best friend since 7th grade.

# When did they do to do what they did

Work hard graduate, college ,and focus on she wanted

How did their acoulades occur over time ?  
how did they leave their mark on you?

She left a mark on me by showing me she works hard to put a roof on the top of my head. She provides food for me and clothes
